

# COASTAL LIVING<sup>®</sup> *for people who love the coast*

## **Amore Baltimore**

By Jackie Froeber

Searching for fantastic fare? Travel to Baltimore, Maryland for some of the best dishes around. The Lebanese Taverna has a beautiful view of the water and amazing hummus: <http://www.lebanesetaverna.com/restaurants/baltimore/>.

On Monday nights, the waterfront restaurant Cinghiale offers a fabulous Italian wine tasting that is worth the \$49: <http://www.cinghiale-osteria.com/>. But don't leave town with out trying the seared sea scallops at Pazo: <http://www.pazorestaurant.com/menu.aspx>, the lobster and black truffle mac and cheese from Timothy Dean Bistro: <http://www.tdbistro.com/cuisine.html>, and Sunday brunch at Gertrude's for Eggs Gertrude (benedict style + crab cakes) and the "Dirty Gertie": a strong bloody mary with a scrumptious shrimp on the side: <http://www.johnshields.com/restaurant/rest/gertrudes.html>.

Cheers!
