THE ART OF READING

Basquiat project, Jayden, Age 12

Students discover classic and new children’s books through this artful reading adventure. Each session will begin with reading a children’s book aloud with students responding through art with curriculum concepts including the book’s themes and illustrations. This trip is customizable and can be tailored to explore reading units. Book your field trip as soon as possible as dates and times are limited.

MARYLAND STATE ARTS STANDARDS ALIGNMENT

Anchor Standard 1: Investigate, Plan, Make

Creativity and innovative thinking are essential life skills that can be developed. Artists and designers shape artistic investigations, following or breaking with tradition in pursuit of creative art-making goals.
