

**GREAT
KIDS
FARM**

BALTIMORE CITY
PUBLIC SCHOOLS

2nd Grade Curriculum Embedded Field Experience @ Great Kids Farm

What: Enhancing your students' understanding of nutrition and agriculture, the building blocks of self and society, through hands-on experience at the farm. We provide City School students with a wonder-filled, fun, engaging experience, tied to curricular objectives.

Curriculum-Aligned: Our curriculum embedded field trip experience for the 2nd grade is designed to accompany the SABES "What do Plants Need" unit. But you can visit us before or after teaching that unit.

Where: Great Kids Farm is Baltimore City Public Schools' 33-acre farm! We grow many varieties of vegetables, and have goats, chickens, and honeybees. Location: 6601 Baltimore National Pike in Catonsville.

When: *Fall trips:* beginning of the school year until Thanksgiving break.
Spring trips: 2nd week of March until the end of the school year.

Max students: We offer visits for a maximum of 75 students per trip.

Program Fee: None!

Interested?: Submit a trip request form:
